TUESDAYS AND THURSDAYS  
11 AM - 12:20 PM

Want to learn how to make cool ads  
like this?

There's more to advertising than putting  
together an intriguing picture with compelling  
words. Learn the creative process behind  
designing ads and discover your inner ad guru.

Even if you don't know Photoshop or InDesign,  
you will by the end of the semester. You'll walk  
in with nothing but your imagination and the  
syllabus, and you'll leave with an awesome  
portfolio to land your dream internship or job.

And, if you don't think this ad is cool,  
prove to me that you can do better!
