

We're here to lend you more than a hand.

Servants on Standby (SOS) is an army of Bethany members who are ready to lend you a hand or whatever you need, whenever you need it:

- Providing a ride to church
- Driving you to a doctor's appointment
- Moving furniture or helping with similar "two-man" jobs
- Performing minor repairs or maintenance
- Lending furniture or medical supplies, such as wheelchairs or crutches
- And, other *one-time* or *short-term* needs

We cannot help with financial or ongoing assistance. However, if you have an unexpected need, contact the SOS hotline. If we cannot fulfill your request, Servants on Standby will help connect you to the appropriate Bethany ministry.
